RIPPING YARNS

What's the best way to rip CDs onto your computer?
Malcolm Steward investigates

HIGH FIVE

Five high end moving-coil cartridges reviewed in depth

APODISING MERIDIAN

Martin Colloms scrutinises Meridian's top 808i.2
CD player with its radical digital filter

COMPARE & CONTRAST

Two very different serious new speakers from PMC and Kudos

FLOATING ON AIR (AND SPRINGS)

Do Townshend's isolating speaker stands
help avoid disturbing family and neighbours?

QUIETENING THE MAINS

PS Audio's radical new solution to mains pollution investigated

LOOK, NO MAGNETS!

Paul Messenger describes the beginning of
a love affair with a strain gauge cartridge

VON SCHWEIKERT VR-5 ANNIVERSARY

A classic US high end given the Colloms twice over
