## WILSON AUDIO SASHA DAW

Martin Colloms consider the latest speaker in the WATT/PUPPY line, a completely redesigned tribute to company founder David Wilson

## AUDIO RESEARCH'S REFERENCE

Developed over many generations, the Reference Six preamp and 160M monoblocks still set the standard

## ONE NAIM OR TWO?

Naim's Uniti Nova is a superb all-in-one network system, but can it see off the ND5 XS 2 and Nait XS 2 separates?

## LET YOUR SYSTEM BREATHE

Keith Howard considers the effect of the air in your listening room on the way your system sounds. It could all be down to humidity, he suggests

## BESPOKE AUDIO THE PREAMP

Handmade to your own requirements, this could be the finest preamp Andrew Harrison has ever heard

## MUSIC & MORE

Jazz and classical reviews, plus the electronic art of Vangelis and music for tuning turntables
