

ROY GANDY

Rega's founder on not just surviving, but thriving, over the last year: and why he's buying another factory

WILSON SABRINA X

This substantial floorstander is even better than the original model

TALKING ABOUT TAPE NOISE

Keith Howard explains why reel-to-reel really isn't 'ultimate analogue'

NAIM UNITI ATOM HEADPHONE EDITION

New arrival takes personal listening very seriously

KEF REINVENTS THE SUBWOOFER

The new KC62 is tiny – and astounding, says Martin Colloms

MONSTER MACHI

The X3 may be all the amp you'll ever need

TESTED

Speakers from KEF, Dali, Dynaudio and more, plus a revived Rogers valve amp

PLUS

Classical music, jazz and more – and has Audirvana got its reinvention right?

CLEARLY SUPERIOR

Vertere's SG-1 record player gains a new digital-based 'motor drive', the Tempo – Martin Colloms listens, and is highly impressed
